**TOP FANTASY AUTHORS PEN 15 NEW STORIES
IN MIRRORSTONE™ ANTHOLOGY FOR TEENS**

(Renton, Wash.) – Fifteen best-selling and acclaimed fantasy authors conjure up a witches' brew of magical new short stories for teens in ***Magic in the Mirrorstone***, an anthology to be published by Mirrorstone™ in February 2008. Dragons, ghosts, unicorns, and a generous helping of evil and mysterious creatures pepper this enthralling book, filled with tasty tales of imagination that readers ages 13-17 will devour like vampires at sundown.

The stories encompass many fantasy genres. Some are set in the contemporary adolescent world of high school cliques and crushes, while others conjure up fantasy worlds replete with goblins, mages, and fairy tale treasure. Wielding their pens like magic wands, the authors weave spells of their own as they explore the many faces of teenage alienation. "Virgin," by Holly Black, author of the *New York Times* bestselling *Spiderwick Chronicles*, tells the edgy story of a homeless runaway and the boy she befriends, who has a nebulous grasp on reality. In "Blackwater Baby," Tiffany Trent, author of the first two books in Mirrorstone's "Hallowmere™" series, serves up a chilling historical fantasy about a priest who steals the Marsh King's daughter.

Other contributors include former MTV producer and current DC Comics writer Cecil Castellucci, author of the acclaimed young adult novel *Boy Proof*; Cassandra Clare, author of the *New York Times* bestseller *City of Bones*; award-winning fantasy and science fiction author Nina Kiriki Hoffman; and many more.

Wizards of the Coast, Inc., a subsidiary of Hasbro, Inc. (NYSE:HAS), is a worldwide leader in the trading card game and tabletop roleplaying game categories, and a leading developer and publisher of game-based entertainment products. The company holds an exclusive patent on

trading card games (TCGs) and their method of play and produces the premier trading card game, Magic: The Gathering®, among many other trading card games and family card and board games. Wizards is also a leading publisher of roleplaying games, such as Dungeons & Dragons®, and publisher of fantasy series fiction with numerous *New York Times* best-sellers.
